Dear Parent,

Ever notice the look on your baby's face when they learn something new through their own discovery? These self-accomplished moments are a parent's greatest reward. To help fulfill them, VTech® created the **Infant Learning**® series of toys.

These unique interactive learning toys directly respond to what children do naturally – play! Using innovative technology, these toys react to baby's interactions, making each play experience fun and unique as they learn age-appropriate concepts like first words, numbers, shapes, colors and music. More importantly, VTech®'s **Infant Learning**® toys develop baby's mental and physical abilities by inspiring, engaging and teaching.

At VTech®, we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow!

Sincerely,

Your friends at VTech®

# INTRODUCTION

Thank you for purchasing the **VTech® Pop & Count Vacuum™** learning toy!

Your baby can clean up and count their way to learning fun with the **Pop & Count Vacuum™** by **VTech®**! This little vacuum easily glides across the floor to pick up its colored blocks that have been left about. As each block is picked up, the vacuum responds with fun sounds as the blocks bounce around inside. Three buttons on the toy reinforce counting and number skills as your child plays.

# INCLUDED IN THIS PACKAGE

- One VTech® Pop & Count Vacuum™
- One handle
- One user's manual

**WARNING:** All packing materials, such as tape, plastic sheets, wire ties and tags are not part of this toy, and should be discarded for your child's safety.

**NOTE:** Please keep this instruction manual as it contains important information.
